

General Strike

for Voting Rights and to End Voter Suppression

Election Day, November 3, 2020

We call for:

- All workers, employees, and students to stay home from work or school (except for election workers, postal workers essential for voting by mail, and essential medical personnel)
- All those working or schooling at home to take the day off
- All employers to give employees the day off

Instead of working on November 3 we will:

Vote! — Volunteer! — Rally! — Protest!

End Voter Suppression! Stop . . .

- Restrictive Voter ID laws
- Felony voter laws
- Racial and political gerrymandering
- Absence or elimination of same day registration
- Unfair restrictions on and sabotage of voting by mail
- Reducing the number of polling places in minority neighborhoods
- Aggressive purging of voter registration rolls
- Absence or elimination of early voting
- Restrictions on student voting

Support the strike!
Support voting equality!
